Kings' Education

Kings' Education is a group of premium schools welcoming students from around the globe from age 3 to 18 years. The education we deliver in our schools combines a British-based curriculum with an international perspective, tailored to the needs of our community of young people growing up in Dubai today, whether expatriate or local. We foster *'The Best by Every Child'* to effectively support all our students striving to reach their true potential.

Since 2004, Kings' has grown from a few hundred to near 3,000 students in three campuses: Kings' School Dubai, Kings' School Al Barsha and Kings' School Nad Al Sheba offering Foundation Stage, Primary and Secondary levels of education. All our schools have the same high standards and exceptional levels of student attainment and progress that have made Kings' School Dubai the only school in Dubai to achieve an **Outstanding** rating from the Dubai Schools Inspection Bureau since inspections began.

For more information visit our website – www.kings-edu.com
