Dear Parents,

### **Competitive Sports Kit and Swimwear**

We write to inform you that we have a new supplier for our competitive sports kit and swimwear.

We have partnered with Kukri, a leading manufacturer of high quality sports attire and have been working closely with them during the summer to design and manufacture the new range of bespoke sportswear.

At Kings' School Dubai, children will wear a multi-sport kit when representing the school in most sports. Some sports will require more specific attire for competition, such as rugby, basketball singlets and netball dresses. If your child participates in a competitive team you will be required to purchase team kit directly from Kukri via the new online shop (more information to follow).

When your child is selected for a team the PE staff will request that you purchase the relevant kit for that sport. The school swim team also have a bespoke uniform for competition (in addition to their curriculum swimsuit) which will be optional.

House tops are also now available for school house events. We are increasing the number of house events and activities beyond just sports, with a range of activities being organised to include academic, creative and performing arts competitions.

Sportswear, swimwear and house tops will be available to purchase by mid to late October. A full price list and instructions for how to purchase kit will be provided shortly.

There will be a 'pop up' shop at school when production of kit is complete for you to look at sizing and for support with ordering. Once you have ordered your kit it will be delivered to school within two days.

Our intention is that this new kit will help to instil identity and pride amongst our competitive teams, leading to a successful sporting year.

If you have any queries regarding this please do not hesitate to contact us.

Kind regards

Jill Oliver
