

KINGS' EDUCATION

The Best By Every Child

FEBRUARY HALF TERM CAMP

12 - 16 February 2024

If you're looking for ways to keep the children active and entertained this February Half Term Camp, look no further than the Kings' Education multi-activity holiday camps.

We know how important staying active is for the health, wellbeing and development of your children and have teamed up with Ecoventure and Engineers To Be to offer a wide variety of adventure, sport and STEM-based activities for those aged 3 to 12 years old.

Activities include climbing, archery, basketball, football, netball, martial arts, performing arts, science, baking, engineering, STEM, arts and crafts and many more.

Our camps are structured and delivered by fully qualified activity professionals who make sure that every child has fun, stays safe and goes home with the biggest of smiles, having made new friends, discovered new skills and enjoyed an action-packed week of adventure.
